INTRODUCCTION

CROWDFUNDING REFERS TO THE PROCESS OF RAISING FUNDS FROM A LARGE NUMNER OF PEOPLE, USUALY VIA INTERNET, TO SUPPORT A SPECIFIC PROJECT, CAUSE, OR BUSINESS VENTURE. IT IS A FORM OF ALTERNATIVE FINANCING THAT ALLOWS ENTERPENEURS, ARTISTS, AND OTHER INDIVIDUALS TO BYPASS TRADITIONAL FUNDING SOURCESSUCH AS BANKS AND VENTURE CAPITALISTS.

CROWDFUNDING PLATFORMS TYPICAPPLY OPERATE ON A REWARDS – BASED MODEL, WHERE BACKERS RECEIVE INCENTIVE OR REWARDS FOR CONTRIBUTING TO PROJECT. THESE REWARDS CAN RANGE FROM A THANK YOU NOTE TO EARLY ACCESS TO THE PRODUCT OR SERVICE BEING DEVELOPED.

WHAT IS CROWD FUNDING?

Crowdfunding is a method of raising money from a large number of people, typically through internet, to finance a project, idea, or business venture. Rather than seeking funding from traditional sources such as banks or venture capitalists, crowdfunding allows individuals to solicit small contributions from a large pool of investors or donors. Crowdfunding platforms operate on various models, including rewards-based crowdfunding, where backers receive a reward or incentive for their contribution, or equity-based crowdfunding, where backers receive an ownership stake in the projector company

CROWD FUNDING HISTORY

The concept of crowdfunding dates back to the 18th century, when groups of individuals would pool their money to fund artistic and cultural projects. However, modern crowdfunding as we know it today began to take shape in the early 2000s with the emergence of online platforms. Since then, crowdfunding has become a mainstream way for individuals and organizations to finance their projects, raise awareness, and build a community of supporters. In 2015, crowdfunding platforms raised an estimated \$34 billion globally, and the industry is expected to continue to grow in the coming years.

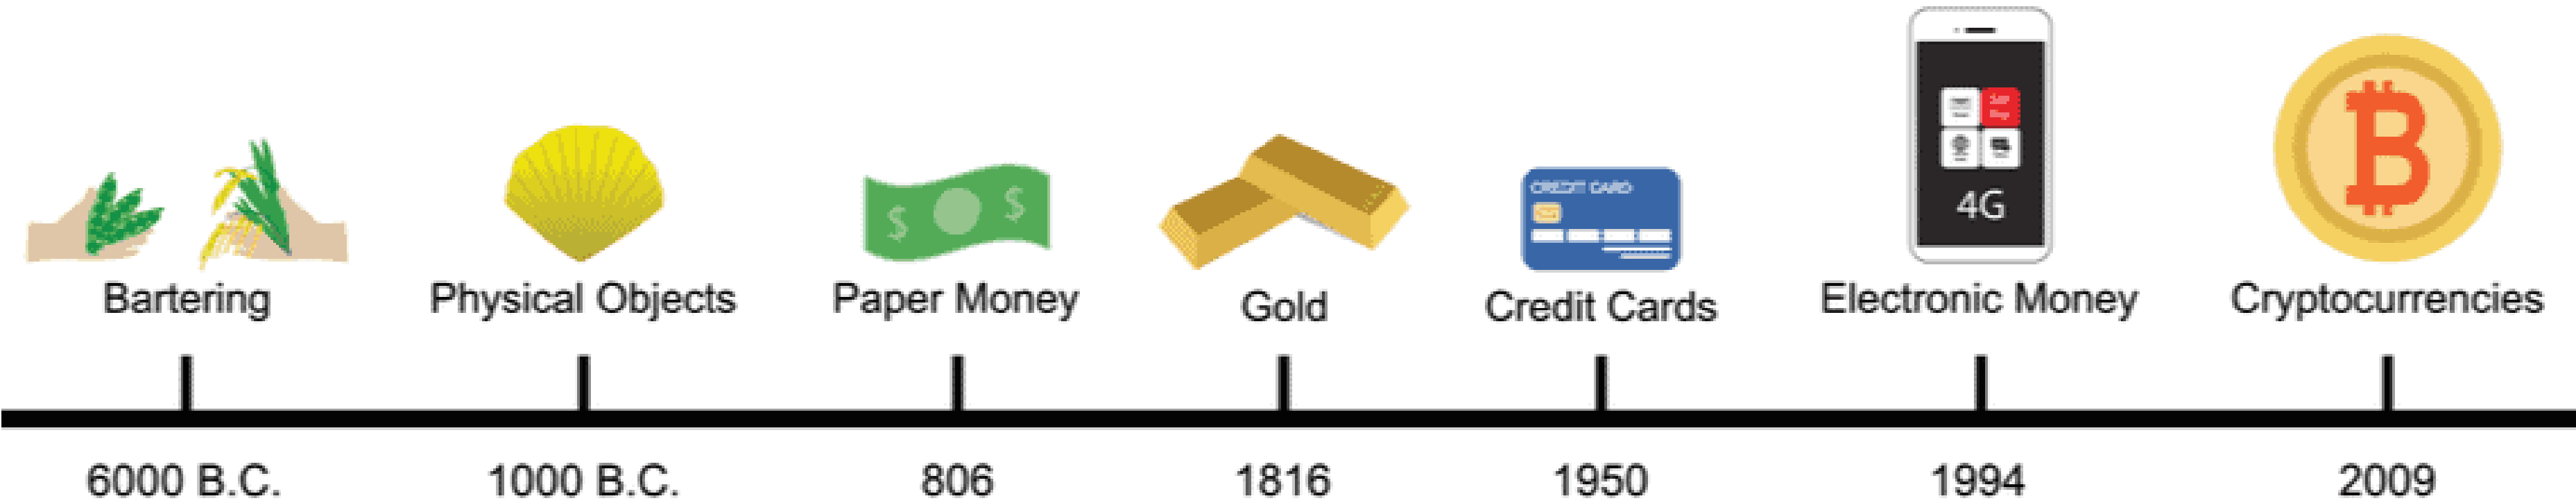

ABOUT US

FREEDOM PLUS AI is the international community of the world and first ever smart contract digital marketing of the Binance Smart Chain network the organization gives opportunity to all people to earn through crowd funding

Note:- freedom plus ai is not an investment plan.
